Frank Ashees, one of the big strawberry growers sear Aurors, Mo., is preparing to take correct a Mr. Ashens is one of the growers who contributed largely to the train load of berries which went out of Sarcosie this summer. He says that a few of the second growth ber ries are now ready for market, but that the bulk will not ripen before September. The fruit is of good quality.

Advance Guard. Mrs. Thomas Butler, a little womman weighing less than one bun. dred pounds, living near A. B. Perkens' will furnished the sensation of the season by giving birth to four children two girls and two boys, last Monday evening, They were well formed and could ary as loud and move jaround as well as any child and weighed all together, fourteen and one-half pounds, but lived only about an hour. This is a very rare occurance, and Advance does not fail to appreciate the position which she now holds over her sister towns, Mr. and Ars. Butler have been married about four years and these were their first children. Dr Byrne, the attending physician, reports Ars. Butler doing very well, and he is crowing over his fellow doctors considerably because of the notoriety afforded him on account of it.
